CREDIT CARD ACCOUNT PAYMENTS

A payment made to a credit card company (e.g. Access or Barclaycard) is a
different type of payment to the other payments recorded by you in the weekly
personal spending diary.

As you know, the payment normally covers several items and can also include an
amount towards an outstanding balance plus interest.

To give a clear picture of just what your payment covers, we would like you to
copy the following details from your account, if you pay part or all of your
account during the 7 days of record keeping.

1. Name of Credit card company

2. Balance from previous statement (if any) £   *

As shown   3. Previous payment made   £
on
account   4. Balance brought forward (if shown on
                                 the statement)   £

5. Interest   £
