SELF-COMPLETION QUESTIONNAIRE

Thank you very much for agreeing to take part in this important study of the recent General Election Although this is the ninth in a series of election studies which have taken place after every General Election since 1964, this is the first time that Northern Ireland has been included. The study consists of this self-completion questionnaire and the interview you have already completed. The results will be published in a book due out next year.

COMPLETING THE QUESTIONNAIRE

The questions inside cover a wide range of subjects, but each one can be answered simply by placing a tick or writing a number in one or more of the boxes. No special knowledge is needed. We are sure that you will be able to answer the questions even if you don't have strong opinions or particular viewpoints. The questionnaire should not take long to complete, and we hope you will find it interesting and enjoyable. It should be filled in only by the person interviewed about the election. The answers you give will be treated as confidential and anonymous.

RETURNING THE QUESTIONNAIRE

Your interviewer will arrange with you the most convenient way of returning the questionnaire. If the interviewer has arranged to call back for it, please fill it in and keep if safely until then. If not, please complete it and post it back to us in the pre-paid addressed envelope, as soon as you possibly can Thank you for your help
