To the selected respondent:

Thank you very much for agreeing to take part in this important study of the British general election. This study is the ninth in the series which have taken place after every British general election since 1964. It consists of this self-completion questionnaire and the interview you have already completed. The results will be published in a book due out next year.

Completing the questionnaire

The questions inside cover a wide range of subjects, but each one can be answered simply by placing a tick (✓) in one or more of the boxes. No special knowledge is needed. We are sure that everyone will be able to take part, not just those with strong opinions or particular viewpoints. The questionnaire should not take long to complete, and we hope you will find it interesting and enjoyable. It should be filled in only by the person interviewed about the election. The answers you give will be treated as confidential and anonymous.

Returning the questionnaire

Your interviewer will arrange with you the most convenient way of returning the questionnaire. If the interviewer has arranged to call back for it, please fill it in and keep it safely until then. If not, please complete it and post it back to us in the pre-paid addressed envelope, as soon as you possibly can.

Thank you for your help

INTERVIEWER

NOW ENTER THE SERIAL NUMBER ON THE SELF-COMPLETION QUESTIONNAIRE AND HAND IT TO THE RESPONDENT WITH A PENCIL

24a The next set of questions, which are in this short questionnaire, will probably be easier to answer if you read them

All of them can be answered just by ticking a box. If you don't have an opinion on a particular question, just tick the 'Can't choose' box or the 'Neither' box in the middle

[ADD ONLY IF NECESSARY

The answers you give, like all the others, will be confidential. All we put on this questionnaire is a number so that we can link it with the interview questionnaire.]

If you need any help, do please ask. I will just be doing some paperwork while you fill in the questionnaire

WHEN RESPONDENT HAS FINISHED, TAKE BACK THE SELF-COMPLETION QUESTIONNAIRE AND CHECK THAT EVERY QUESTION HAS BEEN ANSWERED AND CODE

SELF-COMPLETION QUESTIONNAIRE

June 1994

The latest study in this series consists of the interview that you are doing now, and this short self-completion questionnaire

All the questions can be answered just by ticking a box. If you don't have an opinion on a particular question, just tick the 'Can't choose' box, or the 'Neither' box in the middle

The answers you give, like all the others, will be confidential. All we put on this questionnaire is a number so that we can link it with the interview questionnaire

If you need any help, please ask the interviewer

Thank you for your help

NOW ENTER THE SERIAL NUMBER ON THE SELF-COMPLETION QUESTIONNAIRE AND HAND IT TO THE RESPONDENT WITH A PENCIL

37a The next set of questions, which are in this short questionnaire, will probably be easier to answer if you read them

All of them can be answered just by ticking a box. If you don't have an opinion on a particular question, just tick the 'Can't choose' box or the 'Neither' box in the middle

[ADD ONLY IF NECESSARY

The answers you give, like all the others, will be confidential. All we put on this questionnaire is a number so that we can link it with the interview questionnaire.]

If you need any help, do please ask. I will just be doing some paperwork while you fill in the questionnaire

WHEN RESPONDENT HAS FINISHED, TAKE BACK THE SELF-COMPLETION QUESTIONNAIRE AND CHECK THAT EVERY QUESTION HAS BEEN ANSWERED AND CODE

SELF-COMPLETION QUESTIONNAIRE

P 1470

May 1995

The latest study in this series consists of the interview that you are doing now, and this short self-completion questionnaire

All the questions can be answered just by ticking a box. If you don't have an opinion on a particular question, just tick the 'Can't choose' box, or the 'Neither' box in the middle

The answers you give, like all the others, will be confidential. All we put on this questionnaire is a number so that we can link it with the interview questionnaire

If you need any help, please ask the interviewer
