INTRODUCTION: The next few questions are about schemes aimed at helping people move to other areas.

The HOMES Mobility Scheme helps tenants move by putting their council or housing association in touch with other landlords who may be able to offer them a home, or put them on a waiting list, in the area they need to move to.

Have you heard of this scheme?

LANDLORD FOLLOW UP: The Department of Environment will be carrying out a survey later in the year among private landlords and has asked us if we could provide names and addresses of landlords who might be asked to take part. If your landlord were selected he would be asked about your tenancy so we would need to give both your name and address and your landlord's to the research organisation that carries out the survey.
