STRUCTURE OF THE QUESTIONNAIRE SPECIFICATION

All questions in the specification are laid out using the same format.

Example of question layout

The appearance of an asterisk before the question name indicates that the variable is not present in our anonymised dataset.

The appearance of brackets in the specification usually denotes a form of text substitution (alternative question wording depending upon the respondent's earlier answers); carried out either by BLAISE computer package or else by the interviewer, during the questionnaire.

0.01..99997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of the household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

14. PYPC

How long did this cover?

- (1) one week
- (2) two weeks
- (3) three weeks
- (4) four weeks
- (5) calendar month
- (7) two calendar months
- (8) eight times a year
- (9) nine times a year
- (10) ten times a year
- (13) three months/13 weeks
- (26) six months/26 weeks
- (52) one year/12 months/52 weeks
- (90) less than one week
- (95) one off/lump sum
- (97) None of these: Explain in a note <Ctrl> + <M>

Applies if household size is greater than or equal to one

And is asked to/for all adult members of the household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

And if respondent has stated amount of last take home pay (or anticipated next take home pay)

15. *DVPAY

DV for pay in most remunerative job (PYAMT)

0.01..9997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of the household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

And respondent has stated amount of last take home pay (or anticipated next take home pay)

16. *PYTAX

How much was deducted from your wage/salary for income tax under PAYE?

0.00..9997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

17. *DVTAX1

DV for PyTax

0.00..9997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid
And respondent has stated amount of income tax deducted under PAYE from last wage/salary

18. TAXREF

Did your last pay include a refund of income tax?

- (1) Yes
- (2) No

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

19. TAXREFAM

How much was it?

0.01..9997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

And if respondent's last pay included a refund of income tax

20. DVTAX

DV for tax refund

0.01..9997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

And respondent has stated amount of income tax refunded from last wage/salary

21. *PYNINO

How much was deducted as a National Insurance Contribution?

0.00..997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

22. DVNINO

DV for NI deduction

0.00..997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

And respondent has stated amount of National Insurance deducted from last wage/salary

23. DEDCH

Were there any deductions for charities?

(1) Yes

(2) No

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

24. DEDTOT

How much was deducted for charities ?

0.00..997.00

Applies if household size is greater than or equal to one
 And is asked to/for all adult members of household
 If income and employment responses are being recorded for individuals now
 And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview
 And if in current or last main job respondent is/was an employee
 And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid
 And if deductions were made from respondent's pay for charities

25. DVDEDTOT

DV for deductions for charities
 0.00..997.00

Applies if household size is greater than or equal to one
 And is asked to/for all adult members of household
 If income and employment responses are being recorded for individuals now
 And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview
 And if in current or last main job respondent is/was an employee
 And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid
 And if deductions were made from respondent's pay for charities
 And respondent has stated amount deducted from last wage/salary for charities

26. DEDUCTS

① Individual prompt Code all that apply

Were there any deductions such as:

- (1) Pension or Superannuation?

Applies if household size is greater than or equal to one
 And is asked to/for all adult members of household
 If income and employment responses are being recorded for individuals now
 And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview
 And if in current or last main job respondent is/was an employee
 And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

27. PENDAMT

How much was deducted for superannuation?

0.01..997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

And if deductions were made from respondent's pay for pension or superannuation

28. PYDVPEN

DV for deduction for superannuation

0.01..997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

And if deductions were made from respondent's pay for pension or superannuation

And respondent has stated amount deducted from last wage/salary for superannuation

29. AVCAMT

How much was deducted for AVCs?

0.01..997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

And if deductions were made from respondent's pay for AVCs

30. DVAVC

How much was deducted for AVCs?

0.01..997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

And if deductions were made from respondent's pay for AVCs

And respondent has stated amount deducted from last wage/salary for AVCs

31. UNDA MT

How much was deducted for union fees?

0.01..997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

And if deductions were made from respondent's pay for union fees

32. DVUNI

DV for deduction for union fees

0.01..997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

And if deductions were made from respondent's pay for union fees

And respondent has stated amount deducted from last wage/salary for union fees

33. FRIEAT

How much was deducted for Friendly societies?

0.01..997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

And if deductions were made from respondent's pay for friendly societies

34. DVFRIE

DV for deduction for Friendly societies

0.01..997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

And if deductions were made from respondent's pay for friendly societies

And respondent has stated amount deducted from last wage/salary for Friendly societies

35. SPTDAMT

How much was deducted for sports clubs or specialist pastimes?

0.01..997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee

And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid

And if deductions were made from respondent's pay for sports clubs or specialist pastimes

36. DVSPT

DV for deduction for sports etc clubs

0.01..997.00

Applies if household size is greater than or equal to one

And is asked to/for all adult members of household

If income and employment responses are being recorded for individuals now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR respondent is classified as being 'ILO unemployed' AND are in the loop for respondents who are below state pensionable age AND the date on which respondent left last PAID job was at least two years prior to the date of the interview

And if in current or last main job respondent is/was an employee
And if the date on which the respondent was last paid a wage or salary was less than or equal to one year prior to the date of the interview OR if respondent did not know the exact date on which they were last paid
And if deductions were made from respondent's pay for sports clubs or specialist pastimes
And respondent has stated amount deducted from last wage/salary for sports clubs or specialist pastimes

37. REMAMT

How much was deducted for repaying your employer?
0.01..997.00

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if at least one person has been interviewed at the sample address

394. NUMMIN*Number of Minimum incomes filled in*

0..16

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if at least one person has been interviewed at the sample address

395. NUMSPEND*Number of Spenders*

0..16

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if at least one person has been interviewed at the sample address

396. NUMDISP*Number of spenders who have diaries*

0..16

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if at least one person has been interviewed at the sample address

397. NUMABS*Number of absent spenders*

0..16

**Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)**

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if at least one person has been interviewed at the sample address

398. IOUT1*Code individual outcome for [name]*

- (1) Full interview
- (2) Partial interview
- (3) No interview age below 16
- (4) No interview ineligible
- (5) Refusal
- (6) Non contact

**Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)**

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if at least one person has been interviewed at the sample address

And is recorded for all household members, even if they have not participated in any stage of the interview

399. IOUT2

- (1) Interviewed: in person
- (2) Interviewed: by proxy

**Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)**

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if at least one person has been interviewed at the sample address

And is recorded for all household members, even if they have not participated in any stage of the interview

400. PROXPERS

①Is the interview about [name] being given:

- (1) In person
- (2) or by someone else?

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case

And if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if at least one person has been interviewed at the sample address

And is recorded for all household members, even if they have not participated in any stage of the interview

If individual outcome for respondent was a full interview or outcome was a partial interview

And if nothing was recorded at ISwitch for whether the interview for household member was being given in person or by proxy

401. OUTSUM

① Code <1> for outright and circumstantial refusals.

① Code <2> covers those cases where you found - or SIU confirmed - that the address or residents did not qualify, e.g. empty, non residential.

① Code <3> for addresses that exist but where you are unable to establish occupancy.

Was no one interviewed because ...

- (1) they refused or couldn't be contacted?
- (2) no-one eligible to be interviewed?
- (3) there was insufficient evidence of eligibility?

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if no-one has been interviewed at the sample address

402. INELIG1

Please record why this case was ineligible

- (1) Not yet built/under construction
- (2) Demolished/derelict
- (3) vacant/empty
- (4) Non-residential address
- (5) Address occupied but no resident household
- (6) Communal Establishment/institution
- (7) Dwelling of Foreign Service personnel/diplomats
- (8) No person in eligible age range
- (9) Directed not to sample at address
- (10) Scottish pre-selected sheets instructed not to interview
- (11) Household limit on sample already reached

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if no-one has been interviewed at the sample address

And if case was ineligible for interview

403. UNCER1*Please record why eligibility is uncertain*

- (1) Inaccessible
- (2) Unable to locate address
- (3) Information refused about whether address contains residential housing
- (4) Unknown whether address is residential due to non contact
- (5) Issued but not attempted
- (6) Information refused about whether there are eligible residents
- (7) Unknown whether there are eligible residents due to non-contact
- (8) Refusal to complete screener
- (9) Screener not completed due to non-contact
- (10) Moved - no longer at sample address and current address could not be ascertained
- (11) Moved - no longer at sample address and current address ascertained but could not be attempted

**Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)**

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if no-one has been interviewed at the sample address

And if no-one from the household was interviewed because there was insufficient evidence that household member(s) was/were eligible for interview

404. NONSUM*Was this...*

- (1) an outright refusal
- (2) a non contact, or
- (3) other non response, including circumstantial refusal

**Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)**

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if no-one has been interviewed at the sample address

And if household refused or couldn't be contacted

405. REF1*When did the respondent refuse to assist?*

- (1) To the office before contact by interviewer.
- (2) To the interviewer before any interviewing started
- (3) To the interviewer during the interview
- (4) Broken appointment, no re-contact
- (5) Sampling Unit information refused

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case

And if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if no-one has been interviewed at the sample address

And if household refused or couldn't be contacted

And if non-response was an outright refusal

406. REF2

Was this a refusal...

- (1) by the required respondent/selected person
- (2) by proxy?

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if no-one has been interviewed at the sample address

And if household refused or couldn't be contacted

And if non-response was an outright refusal

And if household refused to assist before any interviewing was started

407. REF3

Was this a refusal because...

- (1) information was refused about the number of dwellings/ households at address
- (2) information was refused about persons within the household
- (3) or were you refused access to the site?

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if no-one has been interviewed at the sample address

And if household refused or couldn't be contacted

And if non-response was an outright refusal

And if sampling unit information was refused

408. *REFREAS

Please record main reason for refusal

- (1) Doesn't believe in surveys
- (2) Anti-government
- (3) Invasion of privacy
- (4) Concerns about confidentiality
- (5) Can't be bothered
- (6) Bad experience with previous surveys

- (7) Disliked survey matter
- (8) Genuinely too busy
- (9) Temporarily too busy
- (10) Personal problems
- (11) Too old/infirm
- (12) Refusal to HQ after interviewer's visit
- (13) Late contact - insufficient field time
- (14) About to go away
- (15) Put off by record keeping
- (16) Other

**Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)**

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if no-one has been interviewed at the sample address

And if household refused or couldn't be contacted

And if non-response was an outright refusal

409. NONC1

Please record type of non-contact

- (1) No contact with anyone at address
- (2) Contact made but not with any member of sampled dwelling/ household
- (3) Contact made at sampled dwelling/household but not with any responsible resident

**Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)**

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if no-one has been interviewed at the sample address

And if household refused or couldn't be contacted

And if non-response was a non-contact

410. NONREAS

Please record main reason for non contact

- (1) Working shifts/odd hours
- (2) Rarely at address
- (3) Will not answer door
- (4) Think address is empty but could not confirm
- (5) No information gathered
- (6) Spare telephone line
- (7) Number unobtainable
- (8) Wrong number
- (9) Telephone not answered
- (10) No reply to answerphone message
- (11) Communal phone
- (12) Other

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if no-one has been interviewed at the sample address

And if household refused or couldn't be contacted

And if non-response was a non-contact

411. OTHR1

Please record type of non-response

- (1) Ill at home during survey period
- (2) Away/in hospital throughout field period
- (3) Physically or mentally unable/incompetent
- (4) Language difficulties
- (5) Data lost or deleted

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if no-one has been interviewed at the sample address

And if household refused or could not be contacted

And if non-response was some other non-response, including circumstantial refusal

412. OTHR2

Was this...

- (1) Notified to you by Head Office
- (2) Notified to interviewer

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if no-one has been interviewed at the sample address

And if household refused or could not be contacted

And if non-response was some other non-response, including circumstantial refusal

And if the non-response did not occur because the data was lost or deleted

413. OTHR3

Please record reason

- (1) Lost interview
- (2) Full interview achieved but respondent requested data be deleted
- (3) Partial interview achieved but respondent requested data be deleted

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case

And if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if interviewer has started work on case if case is a reissue

And if no-one has been interviewed at the sample address

And if household refused or could not be contacted

And if non-response was some other non-response, including circumstantial refusal

And if the non-response occurred because the data was lost or deleted

414. *SIUREF

Please enter SIU reference number

STRING[10]

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if country is Northern Ireland

And if case was coded as ineligible because interviewer was directed not to sample at address OR if eligibility of case was coded as uncertain because interviewer was unable to locate the address

415. FOREF

Please enter field office reference number

0..99999

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if country is not Northern Ireland

And if the respondent's refusal to assist was made when the sampling unit information was refused OR the type of reason for non-response was notified to interviewer by Head Office

416. NUMADNR

①Code 99 for don't know

Number of adults (16+)

0..99

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if the respondent's refusal to assist was made to the interviewer before any interviewing started, or to the interviewer during the interview, or there was a broken appointment with no re-contact, or the sampling unit information was refused OR the reason for non-response was some other non-response, including circumstantial refusal

417. NUMCHINR

① Code 99 for don't know
Number of children under 16
0..99

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case AND if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if the respondent's refusal to assist was made to the interviewer before any interviewing started, or to the interviewer during the interview, or there was a broken appointment with no re-contact, or the sampling unit information was refused OR the reason for non-response was some other non-response, including circumstantial refusal

418. *NRSEX

This is where you code information about adults in non-responding households

- (1) Male
- (2) Female
- (7) No answer

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case AND if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if the respondent's refusal to assist was made to the interviewer before any interviewing started, or to the interviewer during the interview, or there was a broken appointment with no re-contact, or the sampling unit information was refused OR the reason for non-response was some other non-response, including circumstantial refusal

And is recorded for (up to) the first ten non-responding adult household members

And if a response has been entered for the number of adults (aged 16+) AND the number of non-responding adult household members is less than or equal to the number of adults (aged 16+) in the household AND the number of adults (aged 16+) is less than or equal to 10

419. *AGEFIN

Code nearest age band

- (1) 16-34
- (2) 35-59
- (3) 60 plus
- (4) No answer

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case AND if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if the respondent's refusal to assist was made to the interviewer before any interviewing started, or to the interviewer during the interview, or there was a broken appointment with no re-contact, or the sampling unit information was refused OR the reason for non-response was some other non-response, including circumstantial refusal

And is recorded for (up to) the first ten non-responding adult household members

And if a response has been entered for the number of adults (aged 16+) AND the number of non-responding adult household members is less than or equal to the number of adults (aged 16+) in the household AND the number of adults (aged 16+) is less than or equal to 10

420. *SPOKE

Did you speak to the person?

- (1) Yes
- (2) No

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case AND if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if the respondent's refusal to assist was made to the interviewer before any interviewing started, or to the interviewer during the interview, or there was a broken appointment with no re-contact, or the sampling unit information was refused OR the reason for non-response was some other non-response, including circumstantial refusal

And is recorded for (up to) the first ten non-responding adult household members

And if a response has been entered for the number of adults (aged 16+) AND the number of non-responding adult household members is less than or equal to the number of adults (aged 16+) in the household AND the number of adults (aged 16+) is less than or equal to 10

421. *WILLMTH

Could you have obtained an interview (including diary) from this person this month?

- (1) Yes, possibly
- (2) No, unlikely
- (7) Don't know

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case AND if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if the respondent's refusal to assist was made to the interviewer before any interviewing started, or to the interviewer during the interview, or there was a broken appointment with no re-contact, or the sampling unit information was refused OR the reason for non-response was some other non-response, including circumstantial refusal

And is recorded for (up to) the first ten non-responding adult household members

And if a response has been entered for the number of adults (aged 16+) AND the number of non-responding adult household members is less than or equal to the number of adults (aged 16+) in the household AND the number of adults (aged 16+) is less than or equal to 10

422. *WILLFUT

Could you have obtained an interview (including diary) from this person in the next couple of months?

- (1) Yes, possibly
- (2) No, unlikely
- (7) Don't know

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case AND if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if the respondent's refusal to assist was made to the interviewer before any interviewing started, or to the interviewer during the interview, or there was a broken appointment with no re-contact, or the sampling unit information was refused OR the reason for non-response was some other non-response, including circumstantial refusal

And is recorded for (up to) the first ten non-responding adult household members

And if a response has been entered for the number of adults (aged 16+) AND the number of non-responding adult household members is less than or equal to the number of adults (aged 16+) in the household AND the number of adults (aged 16+) is less than or equal to 10

423. WORK

Is any adult in paid work?

- (1) Yes
- (2) No
- (3) No answer

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case AND if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if the respondent's refusal to assist was made to the interviewer before any interviewing started, or to the interviewer during the interview, or there was a broken appointment with no re-contact, or the sampling unit information was refused OR the reason for non-response was some other non-response, including circumstantial refusal

424. NRETH

① Code ethnic groups:

① Code all that apply

① For contacted households only

Do you know or think the occupants are:

- (1) White
- (2) Mixed
- (3) Asian (Indian, Pakistani, Bangladeshi)
- (4) Black (Caribbean, African, other)
- (5) Chinese or other ethnic group
- (6) Don't know

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case AND if calls have been made at address but no contact established OR contact established but no interviewing done OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if the respondent's refusal to assist was made to the interviewer before any interviewing started, or to the interviewer during the interview, or there was a broken appointment with no re-contact, or the sampling unit information was refused OR the reason for non-response was some other non-response, including circumstantial refusal

425. *NRACOM

① Code from observation

Type of accommodation occupied by this household?

- (1) Whole house, bungalow, detached
- (2) Whole house, bungalow, semi-detached
- (3) Whole house, bungalow, terraced or end of terrace
- (4) Purpose built flat, maisonette or apartment
- (5) Part of a converted house/ some other kind of building
- (6) Room or rooms
- (7) Caravan, mobile home or houseboat
- (8) Some other kind of accommodation

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if the respondent's refusal to assist was made to the interviewer before any interviewing started, or to the interviewer during the interview, or there was a broken appointment with no re-contact OR the reason for non-response was that the case was a non-contact OR the reason was some other reason, including circumstantial refusal

426. *NRLEVEL

What is the floor level of this household's accommodation?

- (1) Basement or semi-basement
- (2) Ground Floor/street level
- (3) First floor (floor above street level)
- (4) Second floor
- (5) Third floor
- (6) Fourth floor
- (7) Fifth - Ninth floor
- (8) Tenth floor or higher
- (9) Don't know

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was ineligible)

And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or was ineligible)

And if the respondent's refusal to assist was made to the interviewer before any interviewing started, or to the interviewer during the interview, or there was a broken appointment with no re-contact OR the reason for non-response was that the case was a non-contact OR the reason was some other reason, including circumstantial refusal
And if the accommodation occupied by this household is a purpose-built flat, maisonette or apartment OR accommodation is part of a converted house/some other kind of building OR accommodation was a room/rooms

427. *PARTREAS

① Please include any details that might be useful for reissue, eg which respondent was unreachable

Why is this case a partial?

STRING[100]

**Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established or contact established but no interviewing done or
interviewing started/completed or no interviewing was required (e.g. household refused or was ineligible)
And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or
was ineligible)
And if the final outcome code for the case is greater than or equal to 100 but less than 300
And if the final outcome code for the case is greater than or equal to 200**

428. NONHHINC

① This is only permissible if a non-household member is carrying out a substantial part of the diary keeping

Did you make an incentive payment to anyone outside the household?

- (1) Yes
- (2) No

**Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was
ineligible)
And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or
was ineligible)
And if the final outcome code for the case is greater than or equal to 100 but less than 300**

429. TOTINCNT

*What is the total amount of incentive payments that have been authorised to be paid to this household (including to people
outside the household)?*

0..150

**Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if calls have been made at address but no contact established OR contact established but no interviewing done
OR interviewing has been started/completed OR no interviewing was required (e.g. household refused or was
ineligible)
And if household interviewing has been started/completed or no interviewing was required (e.g. household refused or
was ineligible)
And if the final outcome code for the case is greater than or equal to 100 but less than 300**

430. *SOCNOW

Do you want to do occupation coding for

- (1) Now
- (2) or later?

**Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if the final outcome code for the case is less than 235
And will be asked for all household members who are employed and have given details of their occupation(s)
If the occupation coding for relevant household members is being done now
And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International
Labour Organisation classifications AND if respondent has not taken part in any of the government employment
training schemes shown on Card O1 in the last 12 months prior to the date of the interview OR if respondent
currently has at least one paid job and has done some paid work in the seven days ending last Sunday OR if**

respondent had a job or business that they were away from OR if respondent was on a government employment scheme in the seven days ending last Sunday AND the New Deal option respondent was most recently on was not The Gateway AND if the New Deal option respondent was most recently on was not full-time education or training OR the New Deal option was most recently on was the Employment option OR if respondent is unemployed/inactive at present but has worked in last 12 months OR respondent is not currently in paid employment but has done regular paid work in the last 12 months

431. *ESSUMMARY

Summary of Employment status information for use at SOC2000
STRING[100]

434. *NSSEC

NS-SEC Socio-economic Class (full classification)
 0.0..17.0

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
 And if the final outcome code for the case is less than 235
 And will be asked for all household members who are employed and have given details of their occupation(s)
 If the occupation coding for relevant household members is being done now
 And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications AND if respondent has not taken part in any of the government employment training schemes shown on Card O1 in the last 12 months prior to the date of the interview OR if respondent currently has at least one paid job and has done some paid work in the seven days ending last Sunday OR if respondent had a job or business that they were away from OR if respondent was on a government employment scheme in the seven days ending last Sunday AND the New Deal option respondent was most recently on was not The Gateway AND if the New Deal option respondent was most recently on was not full-time education or training OR the New Deal option was most recently on was the Employment option OR if respondent is unemployed/inactive at present but has worked in last 12 months OR respondent is not currently in paid employment but has done regular paid work in the last 12 months
 And if the coding for the Standard Occupational Classification system is being done now

435. *SECFLAG

- ① Indicator for status of SEC
 - ①0 - valid combination of SEC and ES2000
 - ①1 - invalid combination
 - ①2 - no employment status info - simplified SEC used
- 0..2

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
 And if the final outcome code for the case is less than 235
 And will be asked for all household members who are employed and have given details of their occupation(s)
 If the occupation coding for relevant household members is being done now
 And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications AND if respondent has not taken part in any of the government employment

training schemes shown on Card O1 in the last 12 months prior to the date of the interview OR if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications OR if respondent had a job or business that they were away from OR if respondent was on a government employment scheme in the seven days ending last Sunday AND the New Deal option respondent was most recently on was not The Gateway AND if the New Deal option respondent was most recently on was not full-time education or training OR the New Deal option was most recently on was the Employment option OR if respondent is unemployed/inactive at present but has worked in last 12 months OR respondent is not currently in paid employment but has done regular paid work in the last 12 months
And if the coding for the Standard Occupational Classification system is being done now

436. SIC90

Review industry details and assign 3-digit sic code
0..999

Applies if case is mainstage or case is a reissue and interviewer has attempted some work on the reissued case
And if the final outcome code for the case is less than 235

And will be asked for all household members who are employed and have given details of their occupation(s)
If the occupation coding for relevant household members is being done now

And if respondent is classified as being 'in employment (excluding unpaid family workers)' according to International Labour Organisation classifications AND if respondent has not taken part in any of the government employment training schemes shown on Card O1 in the last 12 months prior to the date of the interview OR if respondent currently has at least one paid job and has done some paid work in the seven days ending last Sunday OR if respondent had a job or business that they were away from OR if respondent was on a government employment scheme in the seven days ending last Sunday AND the New Deal option respondent was most recently on was not The Gateway AND if the New Deal option respondent was most recently on was not full-time education or training OR the New Deal option was most recently on was the Employment option OR if respondent is unemployed/inactive at present but has worked in last 12 months OR respondent is not currently in paid employment but has done regular paid work in the last 12 months

And if the coding for the Standard Occupational Classification system is being done now

437. *NSSECB

NS-SEC Socio-economic Class (full classification)- derived variable
0.0..17.0

Applies if case is mainstage or case is a reissue and interviewer has attempted some work on the reissued case
And if the final outcome code for the case is less than 235

And will be asked for all household members who are employed and have given details of their occupation(s)
If the occupation coding for relevant household members is being done now

438. *NSSEC8

NS-SEC Socio-economic Class (8 classification)- derived variable
0.0..97.0

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if the final outcome code for the case is less than 235

And will be asked for all household members who are employed and have given details of their occupation(s)
If the occupation coding for relevant household members is being done now

439. *NSSEC5

NS-SEC Socio-economic Class (5 classification)- derived variable
0.0..97.0

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
 And if the final outcome code for the case is less than 235
 And will be asked for all household members who are employed and have given details of their occupation(s)
 If the occupation coding for relevant household members is being done now

440. *NSSEC3

NS-SEC Socio-economic Class (3 classification)- derived variable
 0.0..97.0

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
 And if the final outcome code for the case is less than 235
 And will be asked for all household members who are employed and have given details of their occupation(s)
 If the occupation coding for relevant household members is being done now

441. *REISHLD

Do you think this household is worth reissuing?

- (1) Yes, and expressed willingness
- (2) Yes, likely to participate
- (3) Not sure
- (4) No
- (5) Definite no (do not reissue under any circumstances)

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
 And if the final outcome code for the case is greater than or equal to 300 but is less than 400 or the final outcome code is greater than or equal to 412 but is less than 550 or the final outcome code is greater than or equal to 600 but is less than 680

442. *REISINF

① Please record any information about the household that would help when deciding to reissue the case and would be of use to another interviewer.

① Do not include any personal/subjective statements about the household as this information may be reproduced on a recall sheet.

STRING[250]

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
 And if the final outcome code for the case is greater than or equal to 300 but is less than 400 or the final outcome code is greater than or equal to 412 but is less than 550 or the final outcome code is greater than or equal to 600 but is less than 680

443. *REISNAM

① Please record name

① You may only record information here if it was given to you by a member of the household, otherwise please leave blank

① If you do not have the name please leave the field blank. Press <Enter> to continue

STRING[75]

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
 And if the final outcome code for the case is greater than or equal to 300 but is less than 400 or the final outcome code is greater than or equal to 412 but is less than 550 or the final outcome code is greater than or equal to 600 but is less than 680

And if survey is not ERA

444. *REISTEL

- ① Please record telephone number (including area code)
 - ① You may only record information here if it was given to you by a member of the household, otherwise please leave blank
 - ① If you do not have the number please leave the field blank. Press <Enter> to continue
- STRING[75]

**Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if the final outcome code for the case is greater than or equal to 300 but is less than 400 or the final outcome code is greater than or equal to 412 but is less than 550 or the final outcome code is greater than or equal to 600 but is less than 680**

And if survey is not ERA

445. *MINSADM

Total time working at home on this household in minutes?

1..997

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case

446. *NOTETOHQ

- ① (Optional, if nothing to say, just press <Enter>)

Enter any essential notes to HQ about this case

STRING[80]

Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case

447. NIINTDN

- ① Code <1> (Yes) signals that this household is ready for transmission to Head Office.

Have you completed all post-interview checking & notes?

(1) Yes

(2) No

**Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if country is Northern Ireland**

448. *INTDONE

Have you completed all post-interview coding, checking & notes?

- ① Code <1> (Yes) signals that this household is ready for transmission to Head Office.

(1) Yes, completed all coding, etc

(2) Not Yet

**Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if country is Northern Ireland**

449. NIOCDDN

Have you completed all industry and occupation coding (NI only)?

(1) Yes

(2) No

**Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And if country is Northern Ireland and interview coding being carried out**

450. *OEDONE

Have you completed all office editing?

- (1) Yes, completed all editing
- (2) Not yet

**Applies if case is mainstage OR if case is a reissue AND interviewer has attempted some work on the reissued case
And survey is in edit mode**
