One of the most important parts of our research is how people are getting by financially these days. We have found that we need to ask about a number of different types of income, otherwise our results could be misleading. Please think about ALL of the extra sources of income you receive, as well as any benefits or tax credits. If you are at all unsure about whether something would count, you can check with me. I'd like to remind you that anything you tell me is completely confidential.

Missource. *Income source enumerated at previous wave but not current wave*

Decimals	Width	Don't Know	Refused	Inapplicable	Missing
0	1	-1	-2	-8	-9

Scripting Notes

MisSource is an indicator designed to identify benefit and unearned income sources that were not recorded at the current wave but were recorded at the previous wave. A flag is created for each unearned income source if it has been coded as received in the current interview. This flag is then compared with the ff variable for that income source.

If enumerated at wave t-1 and enumerated at wave t then MisSource = 0.

If not enumerated at wave t-1 and not enumerated at wave t then MisSource = 0.

If not enumerated at wave t-1 but enumerated at wave t then MisSource = 0.

If enumerated at wave t-1 but not at wave t then MisSource = 1.

This calculation becomes more complicated once Universal Credit has been introduced, because the answer at the current wave will be Universal Credit and at the previous wave it will be something else (but mean the same thing). Hence this extra code...

If Istrtdate after 31/03/2013, code MisSource = 0 if claims Personal Independence Payment (BenDis = 12) and at t-1 respondent claims Disability Living Allowance (ff_bentype10).

If Istrtdate after 30/09/2013, code MisSource = 0 if claims Universal Credit (Btype = 10 | BenUnemp = 3 | BenDis = 11 | BenTax = 6 | BenHou = 5) and at t-1 respondent had claimed Income Support (ff_bentype15), Job Seeker's Allowance (ff_bentype16), Employment Support Allowance (ff_bentype33), Housing Benefit (ff_bentype22), Rent Rebate (ff_bentype31), Child Tax Credit (ff_bentype19) or Working Tax Credit (ff_bentype20).

Text

Maintenance arrangements are sometimes made by parents, if they do not live together, to help support any children. These can be regular payments made through Court Orders, through the Child Support Agency or just made privately between the parents without involving the CSA or Courts. A private or family based arrangement could also include payments for specific things like school fees, clothing or holidays, or even involve non-financial help like shared 50/50 care.

I'd now like to ask you some more details about the maintenance payments you receive. *{if BENEFITS.BenSta = 4 | BENEFITS.BenFam = 3}* / I'd now like to ask you about any maintenance payments you could receive for your children. *{if BENEFITS.BenSta is not equal to 4 & BENEFITS.BenFam is not equal to 3}*

Has the Child Support Agency, or CSA, made a calculation, instructing a previous partner to pay maintenance to you or any children?

Apart from CSA calculations or court orders, parents might make private, or family based, arrangements for the care of their children. These

can be either formalised in writing or arranged informally. They might involve regular payments, payments for specific things like school fees, holidays or pocket money, or non-financial help such as providing clothing or sharing care.

Do you have a private agreement that you should receive **regular** payments from a previous partner either on behalf of yourself, or any children?

I'd like to ask some questions about each person with whom you've had children. So that I don't ask the same set of questions twice, I need to record which children you had with each of your partners. We don't need your partner's name, but we'll use a code to identify which children have the same parent.

Interviewer Instruction

RECORD [FATHER/MOTHER] CODE FOR [CHILD].

RECORD WHICH CHILDREN HAVE THE SAME MOTHER/FATHER, USING CODES TO INDICATE WHICH CHILDREN HAVE THE SAME PARENT RATHER THAN RECORDING ACTUAL NAMES

SO, START WITH THE FIRST CHILD IN YOUR LIST AND CODE THEIR PARENT AS '1', AND CHECK WHICH OTHER CHILDREN HAVE THE SAME PARENT AND ALSO CODE THEM AS '1'.

THEN FOR RESPONDENT'S SECOND EX-PARTNER CODE ALL THE CHILDREN THAT THEY HAD TOGETHER AS CODE '2', AND SO ON.

Information about your education is held by [\[The Department for Education\]](#) (if SCHOOLCNTRY = 1) / [\[the Education Analytical Services\]](#) (if SCHOOLCNTRY = 2) / [\[The Department for Education and Skills\]](#) (if SCHOOLCNTRY = 3) / [\[The Department of Education and the Education and Skills Authority\]](#) (if SCHOOLCNTRY = 4). This information includes details such as the schools or colleges you've attended, the courses you've studied and the qualifications you've gained as well as other characteristics such as attendance, suspensions or exclusions, whether you have/had a special educational need, or have ever been eligible for free school meals.

We would like to add this information to your survey answers. This will create a more accurate picture of your life and experiences, and will be used for research and statistical purposes only. It will be kept confidential and names and addresses are never included in the results. No individual can be identified in reports. We would like to link in information about your education to your survey responses on a yearly basis.

To do this we need your permission to pass the minimum amount of your personal details (your full name, gender, date of birth and full address) to [\[The Department for Education\]](#) (if SCHOOLCNTRY = 1) / [\[the Education Analytical Services\]](#) (if SCHOOLCNTRY = 2) / [\[The Department for Education and Skills\]](#) (if SCHOOLCNTRY = 3) / [\[The Department of Education and the Education and Skills Authority\]](#) (if SCHOOLCNTRY = 4) so they can identify your individual education record. They will then create a link between this record and your survey responses before making your records anonymous. The education record will be placed on a secure website so that researchers can use it for research and statistical purposes.

Further information about what will happen to your data can be found in this leaflet and can also be found on the Understanding Society website. You may withdraw your permission for [\[The Department for Education\]](#) (if SCHOOLCNTRY = 1) / [\[the Education Analytical Services\]](#) (if SCHOOLCNTRY = 2) / [\[The Department for Education and Skills\]](#) (if SCHOOLCNTRY = 3) / [\[The Department of Education and the Education and Skills Authority\]](#) (if SCHOOLCNTRY = 4) to disclose your information at anytime. Details on how to do this can be found in the leaflet and on the website.

Our final question asks you to say, in your own words, anything that has happened to you over the past year that has been of particular importance to you. This could include anything we have just been talking about or something which has not been mentioned. Please tell me about both positive and negative events - just whatever comes to mind as having been important to you in your own life over the past year.
