Sometimes people put off going to see the of think might be serious. These are some of the if any of these might put you off going to the	he reasons p			
	Yes often	Yes sometimes	No	Don't know
I would be too embarrassed				
I would be too scared				
I would be worried about wasting the doctor's time				
My doctor would be difficult to talk to				
It would be difficult to make an appointment with my doctor				
I would be too busy to make time to go to the doctor				
I have too many other things to worry about				
It would be difficult for me to arrange transport to the doctor's surgery				
I would be worried about what the doctor might find				
I wouldn't feel confident talking about my symptom with the doctor				
Other (please specify)				

	CAM
What things do you think affect a person's chance of getting cancer?	

				CA	M
Medical scientists suggest that these are some of the things that can increase the chance of getting cancer. How much do you agree that each of these can increase the chance of getting cancer?					
	Strongly disagree	Disagree	Not sure	Agree	Strongly agree
Smoking any cigarettes at all					
Exposure to another person's cigarette smoke					
Drinking more than 1 unit of alcohol a day					
Eating less than 5 portions of fruit and vegetables a day					
Eating red or processed meat once a day or more					
Being overweight (BMI over 25)					
Getting sunburnt more than once as a child					
Being over 70 years old					
Having a close relative with cancer					
Infection with HPV (Human Papillomavirus)					
Doing less than 30 mins of moderate physical activity 5 times a week

Cancer Awareness Measure (CAM) Demographic Questions

This survey instrument (CAM) was developed by Cancer Research UK, University College London, Kings College London, and University of Oxford in 2007-2008.

We would now like to ask you a few questions about yourself to help to analyse the study. You will not be asked your name and all of your answers are confidential.

Cancer Awareness Measure

1. W	/hat is your age	?										
2. What is your gender?												
	☐ Male	9		☐ Female								
3. Which of these best describes your ethnic group?												
	White Mixed		Asian or Britis		Black or Black British		Chinese/other					
	White British	☐ White and BlackCaribbean	☐ Indian		☐ Black Caribbean		☐ Chinese					
	White Irish	☐ White and Black Africar	☐ Pakist n	ani	☐ Blad	ck African	☐ Other					
	Any other White background	☐ White and Asian	☐ Bangl	adeshi	Blac	other ck kground						
		☐ Any other Mixed background	☐ Any o Asian backg									
4. W	/hat is your mar	ital status?										
Single/never married		Married/living with partner s	Married eparated from	Divorc	ed	Widowed	Civil partnership					
5. What is the highest level of education qualification you have obtained?												
	☐ Degree or h	igher degree			O Level or GCSE equivalent (Grade A - C)							
	☐ Higher educ	cation qualification t	pelow degree leve	I 🗌	O Level or GCSE (Grade D - G)							
	☐ A-levels or I	highers			No formal qualifications							
	☐ ONC/BTEC				Other							

Cancer Awareness Measure

6. Please tick the box which best describes your living arrangement:														
Own outright					ing		Rent rivately	Squat	ting (g Other (e.g. living with family/friends)				
7. What is your Postcode?														
8. Are you	currently:													
☐ Employed full-time							☐ Full-time homemaker							
		☐ Ret				red								
☐ Unemployed					☐ Stu				dent	ent				
☐ Self-employed									abled or to	bled or too ill to work				
9. Does your household own a car or van?														
No					Yes, one				Yes,	Yes, more than one				
10. Have you, your family or close friends had cancer? (please tick all that apply)
