Pig and poultry men
Other stockmen
Horticultural workers
Domestic gardeners (private gardens)
Non-domestic gardeners and grounds men
Agricultural machinery drivers/operators
Forestry workers
Supervisors/mates – fishing
Fishermen
All other in farming and related

GROUP XII MATERIALS PROCESSING (EXCLUDING METALS)**Key List Description**

Foremen – tannery production workers
Tannery production workers
Foremen – textile processing
Preparatory fibre processors
Spinners, doublers/twisters
Winders/reelers
Warp preparers
Weavers
Knitters
Bleachers, dyers, finishers
Burlers, menders, darners
Foremen – chemical processing
Chemical, gas and petroleum process plant operators.
Foremen – food and drink processing
Bread bakers (hand)
Flour confectioners
Butchers, meat cutters
Foreman – paper and board making
Beater men, refiner men (paper and board making)
Machine men, dryer men, calendar men, reeler men (paper and board)
Foremen – processing – glass, ceramics, rubber, plastics, etc
Glass and ceramics furnace men and Kiln men
Kiln setters
Masticating mill men (rubber and plastics)
Rubber mixers and compounders
Calendar and extruding machine operators (rubber and plastics)
Man-made fibre makers
Sewage plant attendants
All other in processing materials other than metal

GROUP XIII MAKING AND REPAIRING (EXCLUDING METAL AND ELECTRICAL)**Key List Description**

Foremen – glass working
Glass formers and shapers
Glass finishers and decorators
Foremen – clay and stone working
Casters and other pottery makers
Cutters, shapers and polishers (stone)
Foremen – printing
Foremen - paper products making
Foremen - bookbinding
Compositors
Electrotypers, stereotypers
Other printing plate and cylinder preparers
Printing machine minders (letterpress)
Printing machine minders (lithography)
Printing machine minders (photogravure)
Printing machine assistants (letterpress, lithography, etc)
Screen and block printers
Bookbinders and finishers
Cutting and slitting machine operators (paper etc)
Foremen – textiles working
Bespoke tailors and tailoresses
Dressmakers
Clothing cutters and markers (measure)

GROUP XIII MAKING AND REPAIRING (EXCLUDING METAL AND ELECTRICAL)... continued

Other clothing cutters and markers
Coach trimmers
Upholsterers, mattress makers
Milliners
Furriers
Hand sewers and embroiders
Linkers
Sewing machinists (textile materials)
Foremen – leather and leather substitutes working
Boot and shoe makers (bespoke) and repairers
Leather and leather substitute cutters
Footwear lasters
Leather and leather substitutes – sewers
Footwear finishers
Foremen – woodworking
Carpenters and joiners (construction sites and maintenance)
Carpenters and joiners (ship and stage)
Carpenters and joiners (others)
Cabinet makers
Case and box makers
Wood sawyers and veneer cutters
Woodworking machinists (setters and setter-operators)
Other woodworking machinists (operators and minders)
Patternmakers (moulds)
Labourers and mates to woodworking craftsmen
Foremen – rubber and plastics working
Tyre builders
Moulding machine operators (rubber and plastics)
Dental mechanics
All other in making and repairing (excluding metal and electrical)

GROUP XIV PROCESSING, MAKING REPAIRING (METAL AND ELECTRICAL)

Key List Description

Foremen – metal making and treating
Blast furnace men
Furnace men (steel smelting)
Other furnace men (metal)
Roller men (steel)
Moulders and moulder/core makers
Machine moulders, shell moulders and machine
Die casters
Metal drawers
Smiths, forge men
Electroplaters
Annealers, hardeners, temperer's (metal)
Foremen – engineering machining
Press and machine tool setters
Roll turners, roll grinders
Other centre lathe turners
Machine tool setter-operators
Machine tool operators (not setting up)
Press and stamping machine operators
Automatic machine attendants/minders
Metal polishers
Fettlers/dressers
Foremen – production fitting (metal)
Toolmakers, tool fitters, markers-out
Precision instrument makers
Metal working production fitters (fine limits)
Metal working production fitter-machinists (fine limits)
Other metal working production fitters, fitters (not to fine limits)
Foremen – installation and maintenance – machines and instruments
Machinery erectors and installers
Maintenance fitters (non-electrical) plant and industrial machinery

GROUP XIV PROCESSING, MAKING REPAIRING (METAL AND ELECTRICAL)... continued

Knitting machine mechanics (industrial)
Motor vehicle mechanics (skilled)
Other motor vehicle mechanics (oiler's, greasers)
Maintenance and service fitters (aircraft engines)
Watch and clock repairers
Instrument mechanics
Office machinery mechanics
Foremen – production fitting and wiring (electrical/electronic)
Production fitters (electrical/electronic)
Production electricians
Foremen – installation and maintenance – electrical/electronic
Electricians – installation and maintenance – plant and machinery
Electricians – installation and maintenance – premises and ships
Telephone fitters
Radio, TV and other electronic maintenance fitters/mechanics
Cable jointers and linesmen
Foremen – metal working – pipes, sheets, structures
Plumbers, pipe fitters
Heating and ventilating engineering fitters
Gas fitters
Sheet metal workers
Platers and metal shipwrights
Caulker burners, riveters and drillers (constructional metal)
General steelworkers (shipbuilding and repair)
Steel erectors
Scaffolders, staggers
Steel benders, bar benders and fixers
Welders (skilled)
Other welders
Foremen – other processing, making and repairing (metal and electrical)
Goldsmith, silversmith and precious stone workers
Engravers and etchers (printing)
Coach and vehicle body builders/makers
Aircraft finishers
Maintenance and installation fitters (mechanical and electrical)
Setter-operators of woodworking and metal working machines
All other skilled in processing, making and repairing (metal and electrical)
All other non-skilled in processing, making and repairing (metal and electrical)

GROUP XV PAINTING, REPETITIVE ASSEMBLING, PRODUCT INSPECTING, PACKAGING AND RELATED

Key List Description

Foremen – painting and similar coating
Painters and decorators
Pottery decorators
Coach painters.
Other spray painters
French polishers
Foremen – product assembling (repetitive)
Foremen – product inspectors
Repetitive assemblers (metal and electrical goods)
Inspectors and testers (skilled) (metal and electrical goods)
Viewers metal and electrical engineering
Foremen – packaging
Packers, bottlers, canners, fillers
All other in painting, repetitive assembling

GROUP XVI CONSTRUCTION, MINING AND RELATED NOT IDENTIFIED ELSEWHERE

Key List Description

Foremen – building and civil engineering nie
Bricklayers
Fixer/walling masons
Plasterers
Floor and wall tillers, terrazzo workers
Roofers and slaters
Glaziers
(Railway) trackmen and platelayers
Asphalt and bitumen road surfaces
Other roadmen
Concrete erectors/assemblers
Concrete levellers/screeders
General builders
Sewer men (maintenance)
Mains and service layers and pipe jointers (gas, water, drainage, oil)
Waste inspectors (water supply)
Craftsmen's mates and other building labourers nie
Civil engineering labourers
Foremen/duties - coalmining
Face-trained coalmining workers
Tunnellers
All other in construction, mining, quarrying well-drilling and related, not identified elsewhere

GROUP XVII TRANSPORT OPERATING, MATERIALS MOVING AND STORING AND RELATED

Key List Description

Foremen – ships, lighters and other vessels
Foremen - rail transport operating
Foremen - road transport operating
Deck and engine room hands (seagoing)
Bargemen, lighter men, boatmen tug men
Locomotive drivers, motormen
Second men (railways)
Railway guards
Railway signalmen and shunters
Bus inspectors
Bus and coach drivers
Heavy goods drivers (over 3 tons unladen weight)
Other goods drivers
Other motor drivers
Bus conductors
Drivers mates
Foremen – civil engineering plant operating
Mechanical plant drivers/operators (earth moving and civil engineering)
Foremen – materials handling equipment operating
Crane drivers/operators
Fork lift and other mechanical truck drivers/operators
Foremen – materials moving and storing
Storekeepers, warehousemen
Stevedores and Dockers
Furniture removers
Warehouse, market and other goods porters
Refuse collectors, dustmen
All other in transport operating, materials moving and storing and related nie

GROUP XVIII MISCELLANEOUS**Key List Description**

Foremen - miscellaneous
Electricity power plant operators and switchboard attendants
Turn cocks (water supply)
General labourers - engineering and shipbuilding
Other general labourers
All other in miscellaneous occupations nie
