We can't do without you, Mr Phil Westwood.

Can you spare some valuable time to help our world-leading study?

Understanding Society is a wonderful data resource. It is used by academics, students, policy makers and charities such as Age UK and The Children's Society. You are an important part of it. Your participation gives a voice to the experiences of thousands of people like you. The information you have given us previously is very valuable and will become even more valuable if you participate again this year. We need to continue interviewing the same people in order to understand changes in our society.

As mentioned in my recent letter, you can complete this year's survey online. Just click <u>here</u>.

To say thank you for your help, we have sent you a $\pounds 10$ gift-card.

Your participation is entirely voluntary, but we do hope you'll be able to help us.

Please let us know if you change any of your contact details by filling out our <u>online form</u>.

If you have any questions, please <u>email</u> our Participant Helpline.

Many thanks,

Professor Michaela Benzeval Director, Understanding Society Institute for Social and Economic Research University of Essex

This study is being conducted in accordance with the Data Protection Act. This means your personal details will be kept strictly confidential and you and your household will not be identifiable from the data.

As mentioned in my recent letter, you can complete this year's survey online. Just click <u>here</u>.

To say thank you for your help, if you're able to take part this time we will send you a £10 gift-card. And if all members of your household complete the survey online by Sunday, 4th June we will send each of you an additional £20 gift-card.

Your participation is entirely voluntary, but we do hope you'll be able to help us.

Please let us know if you change any of your contact details by filling out our <u>online form</u>.

If you have any questions, please <u>email</u> our Participant Helpline.

Many thanks,
