

Benefits marked with 'm' are means-tested, where the claimant's (and partner's) earnings, savings and other income (including some benefits), are taken into account. It is the benefit unit that receives the money, so adults in the same BU should not both be in receipt of the same means-tested benefit.

Community Care Grant from the Social Fund

Mainly for priority groups who get Income Support eg. elderly or disabled people, families under stress, people leaving institutional care.

Council Tax Benefit (CTB)

Paid by the local authority to the people who are liable for the tax - usually the householder(s). It is either a **main benefit** if householders have a low income, or a **second adult rebate** if there are other adults in the household who are not liable, do not pay rent to the householder, and have a low

income. CTB should not be confused with CT *exemptions* (eg. for student households), or *discounts* (eg. for one-adult households). People on Income Support, income-based JSA or Pension Credit will usually get the benefit. For properties in Bands F-H the maximum benefit is limited to that for Band E, if the claim began after April 1998. For tenants in multi-occupied accommodation (eg. bedsits) the landlord is usually liable for the tax, and adds an amount to the rent; here, the tenant will not be able to get CTB.

Employment and Support Allowance (ESA)

Employment and Support Allowance (ESA) will replace Incapacity Benefit and Illness based Income Support for new claimants from October 2008. Being extended to existing claimants over time. All claimants will receive a 'Main Phase' payment payable at the same rate as Jobseeker's Allowance 25+ (£64.30). Housing Benefit

Paid by the local authority to people who need help with rent. Council tenants on Housing Benefit get a *rent rebate* which means that their rent due is reduced by the amount of rebate. They are however responsible for their own water charges so those on 100% rent rebate do pay a weekly or fortnightly amount to cover these and other charges, where other charges are involved. Private tenants and Housing Association/Registered Social

Landlords' tenants usually receive Housing Benefit (or *rent allowance*) personally. At present Housing Benefit is paid directly to the landlord in a small number of cases, from April 2008 all new claimants will be paid personally. People on Income Support or income-based Jobseeker's Allowance usually get maximum Housing Benefit. The recipient, or the recipient and their partner, must not have over £16,000 in savings. Housing Benefit is not normally more than rent but from October 2003 in some areas Housing Benefit may exceed rent as part of the Local Housing Allowance Project (please check with respondent).
