EMPLOYEE PROFILE QUESTIONNAIRE

It would be of great help if this questionnaire could be completed before the interviewer's visit and available at the beginning of the interview.

You can also complete the questionnaire online. Please see the accompanying letter for information on how to do this.

The information you provide will be used solely for statistical purposes and will be treated in strict confidence in accordance with the Data Protection Act.

Thank you for your help.

^{*}In collaboration with Acas, UK Commission for Employment and Skills, the Economic and Social Research Council, and the National Institute of Economic and Social Research.

The purpose of this questionnaire is to gather information about the size and structure of the workforce at your workplace. The data should relate to the time at which you complete this form. There are no questions on seasonal variations.

- 'Workplace' refers to the premises referred to in the letter. It does not include any other premises that may belong to your organisation or to workplaces different and separate from this one.
