MigrQ2

How many people have left your household in the last year?

INTERVIEWER: ENTER THE NUMBER OF PEOPLE WHO HAVE NOW LEFT THE HOUSEHOLD BUT WERE HOUSEHOLD MEMBERS ON [SYSDATE].

1 - 10

Universe

- MigrQ1 = Yes
-

Intro2

I would now like to ask a couple of questions about the [person who has left your household/people who have left your household] in the last year.

This information will be used to help improve population estimates for Northern Ireland in the years that we don't have a census.

Does your household receive a discount on your rates bill through receipt of Disabled Persons Allowance?

[/][i /EDITOR: /INTERVIEWER:] **Disabled Persons Allowance : If the head of household or someone else in the household is a person with a disability and meet the conditions of this scheme they may be entitled to a reduction of 25% in their annual domestic rates bill. The property must be adapted to meet the needs of a person with a disability who lives within the home.**

Does your household receive a discount on your annual rates bill through the Energy Efficient Homes scheme?[]

[/][i /EDITOR: /INTERVIEWER:] The Energy Efficiency Homes scheme aims to encourage home owners to bring their home up to modern standards of insulation. The scheme is managed by the Energy Saving Trust on behalf of Land & Property Services LPS. It provides a one-off reduction in rates to home-owners who install cavity wall insulation and / or loft insulation in their home to the required standards.

For loft insulation this will depend on the amount spent. If the cost of installing the loft insulation is £300 or more the annual rates will be reduced by £150. If the cost is between £100 and £299.99 the reduction will be £75. The lower amount will most likely be payable to those homeowners who already have loft insulation but improve it to meet modern standards. For cavity wall insulation the cost of the works must be £300 or more to receive a reduction in rates of £150.

If both works are carried out the homeowner could receive a reduction of up to £300.

NIWIntro

□

From April 2007 the government has introduced water and sewerage charges to Northern Ireland.

These charges are based on the 'capital value' of your home and are being 'phased in' for the first two years - where you pay one-third of the yearly charge in the first year and two-thirds in the second year. In the third year from April 2009 you will pay the full amount.

There are two charges - water & sewerage - but you only pay for the services you receive.

By now you should have received a letter/bill indicating how much you will be eligible to pay for the period 1st April 2007 to 31 March 2008.

I will now ask you some questions about these charges.

PassCon

시^Help_F9시 ^N

Do you or does anyone else in your household have a concessionary travel pass which allows free or reduced fare on rail, bus, tram or underground transport? Please include passes for children or for older people or people with disabilities, but exclude standard season tickets and railcards.^N

시^C Include travel tokens offered in place of a concessionary travel pass.

Exclude any promotional discounts such as 2 for 1 offers on rail fares.

Railcards are purchased to get reduced rail fares these are not concessionary travel passes.

See helpscreen for details of types of railcard and further details of concessionary travel pass.
