

## EA Panel Survey Summer 2011 Survey on Communications

### WELCOME TO OUR SUMMER 2011 SURVEY ON COMMUNICATIONS

Thank you for being a member of the Evangelical Alliance 21st Century Christians Research Panel.

Our summer survey is on the subject of communications. In particular we want to look at how the recent growth of Information and Communications Technology, mobile phones, the Internet and Social Networking is impacting the way Christians communicate.

It may take you between 15 and 30 minutes to complete (or even longer if you want to ponder deeply and write a lot) but you should be able to break off and return to complete it later if you need to.

The survey is brought to you by the Evangelical Alliance working in partnership with

CHRISTIAN RESEARCH

and a consortium of Christian organisations whose members are.
