

21st Century Evangelicals February 2013 - Church life

Welcome

Thank you for taking part in the Evangelical Alliance's Online Research Panel.

These surveys are designed by the Evangelical Alliance working with a group of other Christian organisations.

This quarter's survey is about church life – our experiences, involvements, preferences and practices. Please note that throughout this questionnaire we are asking questions about your particular local church, congregation, fellowship or Christian community and NOT about denominations, wider networks of churches or the Church as the worldwide body of Christ.

All answers are anonymous and will only be used to compile statistics for our reports. And if you'd really rather not answer a particular question you can always leave it blank.

People vary, but the survey shouldn't take longer than about 20 minutes.
