

## 21st Century Evangelicals May 2013 - Faith and the world of work<br>

### Welcome

Thank you for taking part in the Evangelical Alliance's Online Research Panel.

These surveys are designed by the Evangelical Alliance working with a group of other Christian organisations.

This quarter's survey is about working life – our experiences, ambitions and opinions, and how Christians and churches are engaged with the world of work.

All answers are anonymous and will only be used to compile statistics for our reports. And if you'd really rather not answer a particular question you can always leave it blank.

People vary, and if you have never worked for pay you will only need to do a shorter version. We estimate the survey shouldn't take longer than about 20 minutes, unless you want to tell us at length about your experiences in the open- ended comment boxes.

## About you

In every survey we need to ask everyone (both regular panel members and newcomers) a few short background questions so that we can easily break down the responses from different groups of people.
