

Omnibus Survey August 2013

Welcome

Thank you for taking part in the 21st Century Evangelicals online research.

These surveys are designed by the Evangelical Alliance working with a group of other Christian organisations - our research partners.

This quarter's survey is intended to tap into some issues that are of particular relevance to the Alliance and our partner organisations. Although we do not intend to publish a report in the usual format from this survey, your findings will help the Alliance, our partners and the wider Church to improve the way we serve God's people and engage in God's mission in the world.

Our next quarterly survey will be thematic, like the previous surveys, and lead to a published report.

All answers are anonymous. If you'd really rather not answer a particular question you can always leave it blank. People vary, but we estimate the survey shouldn't take longer than about 15-20 minutes.

Prospects

The questions on this page have been suggested by our research partner Prospects.

Prospects is a dynamic Christian organisation working together with people with learning disabilities so they live life to the full. Prospects aims to touch every aspect of life to enable real choices and fulfilled potentials.

17. To what extent do you agree or disagree that:

	Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
There are thousands of people in church every Sunday who simply don't understand what's being said	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
In church we read, hear, or sing words that are very familiar without grasping their significance	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Many people find the language used in church a barrier to understanding the gospel	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The gospel message is essentially a simple one - God wants us to be part of His family	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
People with learning disabilities are all uniquely made in the image of God, each one valued and loved by Him	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
There are no academic or intellectual requirements to enter the Kingdom of Heaven.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
What people of limited vocabulary, intellect or memory need is that someone takes the time to explain the Bible truth in ways they can understand.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I've heard a lot about Prospects as an organisation and understand the kind of work they do.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Omnibus Survey August 2013

18. Have you any comments about the way your own church uses language (speech and writing), symbolism and metaphor in worship and teaching and whether this may exclude many people from understanding the simple gospel message?

Have you tried anything already, or have you any suggestions as to how worship can be made more inclusive and accessible?

Christians Against Poverty

The questions on this page have been suggested by our research partner CAP - Christians Against Poverty.

I know who CAP (Christians Against Poverty) are and what they do	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I believe poverty is overseas and not in the UK	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I have a responsibility to help people out of poverty in the UK	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
When I think of CAP, I think of debt	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
When I think of CAP, I think of poverty relief	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
When I think of CAP, I think of people becoming Christians	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
It inspires me that CAP empowers local churches to help people out of poverty in the UK	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I would consider supporting CAP financially	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

You have finished.

Thank you for completing this survey.

For more details about the project and to read our previous reports, please visit www.eauk.org/snapshot. Here you can also find links to the websites of our research partner organisations.

Please tell your Christian friends and people at your church about our surveys and encourage them to go to the website and take part.

We are not anticipating publishing results of this survey in the familiar report booklet format. However we are happy to make the key findings available in raw data form on request from November onwards. Please email g.smith@eauk.org if you are interested.

Our next quarterly survey will be thematic, like our previous surveys, and lead to a published report.
