

From Generation to Generation - February 2016

Welcome

Thank you for taking part in the 21st Century Evangelicals online research.

These surveys are designed by the Evangelical Alliance. The findings will appear in IDEA magazine and on our website.

This quarter's survey is about the different life experiences of the different generations, from boomers born before 1960 to millenials born in the 1990s. It covers every aspect of inheritance including the passing on of property, of culture and of faith, and the changes that are affecting Church and society in the UK today.

All answers are anonymous. If you'd really rather not answer a particular question you can always leave it blank. People vary, but we estimate the survey shouldn't take longer than about 20 minutes, unless you choose to write a lot in open-ended comment boxes.

About you

In every survey we need to ask everyone a few short background questions so that we can easily break down the responses from different groups of people. We apologise if you have completed this for a previous survey – unfortunately we cannot carry over your demographic data.

1. Your gender:

2. In which decade were you born?

Attitude statements - boomers and millennials

15. In terms of your impression of the differences between the "baby boomers" generation (people born before 1960) and the millennial generation (born since 1990) how far do you agree... ?

	Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
Boomers were generally more privileged than millennials.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Boomers had more educational opportunities than millennials.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Boomers generally had happier childhoods than millennials.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Boomers tend to have more conservative social and political attitudes than millennials.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Boomers generally had better career options than millennials.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Boomers on average are likely to live longer and healthier lives than millennials.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Millennials are more fortunate than boomers in their easy access to and understanding of information and communications technology.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Millennials are more fortunate than boomers in growing up in a more diverse society.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Millennials have more freedom than boomers had in terms of their moral and lifestyle choices.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Millennials are more committed to social justice than boomers ever were.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Millennials are more concerned about the environment than boomers ever were.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Millennials are more likely to end up in poverty and debt than boomers ever were.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Millennials have better music and entertainment than boomers ever had.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Millennials are less likely to achieve a stable and happy family life than boomers generally did.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Boomers in general did an excellent job in raising their children.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Millennials in general are just as involved in and caring for the older generations of their family as boomers ever were.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Attitude statements

16. How far do you agree... ?

	Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
It's not right that students have to go into considerable debt if they want a university education.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I find it a problem that today's graduates need to take up unpaid or low paid internships before they can get a "proper" job.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Many of the older generation have pensions and other benefits that are over generous.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The baby boomer generation have profited from investment in home ownership to the disadvantage of the next generations.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The older generation have over consumed resources without much concern for the future of the planet.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
All generations are much the same in what they want out of life.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Future generations will have a happier, healthier and more prosperous life experience than mine.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Families are damaged when the different generations end up living far away from each other.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
It is important to be able to leave one's estate to the next generation without being subject to large amounts of inheritance tax.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Boomers are very likely to spend on themselves instead of saving for their kid's inheritance.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Many young adult's hopes of owning a home will depend on finance or inheritance from their parents or grandparents - I don't think that is fair.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Life will be more precarious for millenials than for the boomer generation.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Attitude statements about care of elders

17. How far do you agree... ?

	Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
Over the next 50 years, younger people will need to work very hard and pay high taxes just to support an older generation who can't provide for their personal care.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
When elderly people need social care and support it should be provided free of charge by the state.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Elderly people who need care should make a reasonable contribution to the cost up to a fixed limit.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Care workers should be paid at least the full living wage including time taken travelling.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
All frail elderly people are entitled to high quality health and social care at the end of their lives.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Churches should be actively involved in supporting and improving the care of elderly people.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Families should take the main responsibility for caring for elderly people.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Much of the care support for the elderly on offer today is inadequate.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

God and your hopes and fears for future generations

18. How far do you agree... ?

	Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
Young adults today will have less religious freedom than the baby boomer generation.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Most of the younger generation have turned away from God.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
In the next 50 years the world will descend into chaos, conflict and environmental disaster.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Christians should always be hopeful for the future - even if Jesus does not return for many centuries.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I believe Jesus will return during the lifetime of people living today.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I believe biblical prophecies foretelling the end of this age are coming true today.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I believe that before Jesus returns there will be a time of great suffering in all the earth.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I believe that before Jesus returns there will be a time of great persecution of Christians.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I'm looking forward with great hope to the new heavens and the new earth promised in the Bible.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I'm personally fearful that I will be condemned by God on the day of judgement.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I believe God will send many people (including some whom I know and care about) to eternal punishment.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
It's the duty of all Christians to work and strive to build a better world for people today and for generations to come.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Boomers were more likely to hear the gospel than millennials.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Views on your church

24. How far do you agree... ?

	Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
Our church seems to target its ministries mainly towards a single age group.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
There are some age groups / lifestages largely missing from our church.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Our church doesn't make many efforts to get the different age groups to relate to each other.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I wish there were a lot more teenagers coming to our church.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I wish our church had a lot more families with young children attending.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
A church can't really be healthy unless there is a good mix of generations.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
It's impossible to provide worship that satisfies everybody across the different generations.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Our church is obviously ageing - I fear it will die out.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Older people in our church are very good at sharing their experiences and faith with children and young people.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Young people in our church simply can't be bothered to engage with the older generation.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Everyone should honour and respect the older people in our churches.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I think older people feel left out of the life of our church.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Our church caters well for single people and integrates them into the life, leadership and community of the church.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
