UNDERSTANDING PUBLIC ATTITUDES TO POLITICS

CONSENT FORM

Your consent in writing is needed to confirm your involvement in this research. The research is interested in how people form their attitudes to politics. Your contributions to any debates if quoted will only be used in a way that no one could identify you in any publications that emerge out of the research. Signing this form means that you have agreed to be a part of the research, but this does not stop you from changing your mind at a later time. You can withdraw from the research at any time – to do so please contact either of the Principal Researchers at the address shown on the Information Sheet provided.
