CONSENT FORM – SMART ENERGY RESEARCH LAB

Please complete this after you have read the Information Sheet, then proceed to complete the survey overleaf.

Your unique code is: XXXXX

YOUR CONSENT

To participate UCL needs to obtain your consent to access the smart meter data that is collected for your address and to combine this with other information as described in the Information Sheet.

If you are willing to participate, please provide your consent by ticking each of the boxes and sign your name below. All boxes must be ticked to take part in the study.

- I confirm that I am aged 18 or over and regularly live at this address
- I confirm that I have read and understood the Information Sheet
- I understand that I can withdraw consent at any time using the contact details provided to me
- I consent to UCL collecting smart meter data for this address from this point going forward and historic smart meter data for up to the previous 12 months *(if you have lived at this address for less than 12 months then please tell us in the question provided below)*
- I understand that my personal information (name, address, smart meter data, survey responses, and Energy Performance Certificate data) will be used by approved UK researchers for the purposes of scientific research in the public interest, as explained in the Information Sheet. Please note: your name and address will never be made publicly available and you will never be identified in any research results
- I understand that according to data protection legislation, 'public task' will be the lawful basis for processing

Did you move into this address in the last 12 months? No Yes*

*This is so that we do not access smart meter data for any previous household that lived at your address.

If you answered 'Yes', please write in the month and year you moved in: ←

Month Year

I have read and understood the information provided and I voluntarily consent to participate in the study

Please print your name, the date and sign below:

Title eg. Mr/Mrs/Miss/Ms

Please return this form and the completed survey using the self-addressed stamped envelope provided. A confirmation of your consent will be sent to you for your records.

HOW TO COMPLETE THE SURVEY

The survey includes questions about your energy use and heating, your accommodation, and your household. This will assist researchers when analysing the results and help them to understand patterns in your energy consumption data. This survey should be completed by a household member aged **18 years or above who regularly lives at the accommodation**. All your answers will be kept private and confidential.

Please mark your answers by putting a tick ✓ in the appropriate box. If you make a mistake or you change your mind, please shade in the whole box to show the mistake and then tick ✓ the correct answer(s). Please try to answer all questions as directed, but if you feel unable or unwilling to answer a question it is fine to skip it.

Thank you in advance for your time.
